Dear Luke,

I am writing to thank you for Sell and Parker's continued substantial and generous support of *Sculpture by the Sea, Bondi*.

Our organisation is delighted to partner with Sell and Parker. Your 10 years of support is truly invaluable to the sustainability of the exhibition, and is greatly appreciated by the artists who benefit from your generosity. This support adds so much to the calibre of the works, and to the scope and reputation of the exhibition that is enjoyed by so many.

I hope you enjoyed the exhibition and thank you once again for helping to make this event possible for the people of Sydney and its visitors.

Yours sincerely,

David Handley
